

Can a duvet stop the living dead? - The Now Nows

I wake up, hear a scream
Wonder if I'm still asleep
I hear things, something crawls
Across the bed and out of the walls
And I say oh oh-oh, Oh no ...

Oh Mom do you believe,
There's things only kids can see?
Don't turn out the light
Something's moving in the pale moonlight
So I say Oh oh-oh, Oh no ...

I close my eyes and hope I'm dreaming

Monster wants to hurt me, Creature's gonna get me
Oh Mommy help me
Boogeyman's hungry, I'm looking tasty
Daddy come get me
Angels can't help me, Fight off the zombies
Oh Lord anybody
I'm my own worst enemy

My bedroom comes to life
In the dark no-one hears you cry
Bad dreams, Holy Lord,
It's a nightmare when there's witches abroad
So I'll stay tucked up safe and sound
Yeah right man there's goblins around
Am I safe in my bed
Can a duvet stop the living dead?
Oh I say Oh oh-oh (I hope so ...)

I close my eyes and pray I'm dreaming

Monster wants to hurt me, Creature's gonna get me
Oh Mommy help me
Boogeyman's hungry, I'm looking tasty
Daddy come get me
Toys are getting angry, boy it's getting ugly

It's a cannibal frenzy
I'm my own worst enemy

Disembodied heads,
Ghosts and ghouls galore
Evil invisible men
I can't take any more

I close my eyes and pray I'm dreaming
Something touches me and I'm screaming ...

Monster wants to hurt me, Creature's gonna get me
Oh Mommy help me
Boogeyman's hungry, I'm looking tasty
Daddy come get me
I'm not feeling sleepy, Freddy's come to get me
Oh Lord anybody
I'm my own worst enemy
