

You're All Of This (And More) – The Now Nows

You're my favourite collection of hydrocarbons
You're the sweetest of dumplings in the meatiest of stews
You're the brains behind this crazy operation
You're the main attraction in this human zoo

You're all of this and more
You're a clearance sale at my favourite record store

You're as graceful as Einstein's equations
More glorious than every sunset I've ever seen
You're the well-spring of my clearest inspirations
In my darkest hours, you're a welcome torch beam

You're all of this and more
You're that naughty kid all the teachers secretly adore

You're the gift that keeps on giving
The smile that never fades
You're an endless standing ovation
After a ticker-tape parade
You're the Red Cross to my disaster
Oh my Mistress, you're my Master
You're my better other-halfer
And my loquacious business partner
You're my Question, you're every Answer
Brighter than a supernova
Sexier than Jodie Foster
You're my once upon a time and my happy, happy ever after

You're all of this and more
You're my final frontier where no man has dared before

You're the sunshine behind the rain
You're the killer of my pain
You're the naughty teacher I adore
Whoo!
